

## Detailed saleyard report - sheep and lamb

Market information provided by MLA's National Livestock Reporting Service

### Bendigo

report date 16 Jan 2012

<b>Yarding Change</b>	23906 -8943	<b>Lambs Change</b>	18716 -6998	<b>Sheep Change</b>	5190 -1945	<b>comparison date</b>	09/01/2012
-----------------------	----------------	---------------------	----------------	---------------------	---------------	------------------------	------------

Lamb numbers fell back possibly due to cheaper price trends during last weeks markets. Most of the usual local, trade, supermarket and export buyers attended and nearly all made purchases. Restocking demand, considering the weaker prices, remained fairly strong at recent average price trends.

Several good to very good heavy and extra heavy shorn lambs were supplied. Light and extra light 1 and 2 score lambs sold from \$55 to \$90/head. Light trade 2 and 3 scores from \$90 to \$108/head. Heavier 3 and 4 score trade made \$100 to \$128/head or 420c to 480c/kg cwt. Heavy 4 score lambs averaged \$5 to \$8 cheaper in making \$121 to \$136/head or 450c to 470c/kg cwt. Extra heavy 4 score lambs over 26kgs sold from \$115 to \$141 and averaged \$10 to \$20/head cheaper or 360c to 400c/kg cwt.

There was a smaller offering of mixed mutton with the bulk being ewes. Most of the regular buyers were present but not all were active. Sales of lighter ewe mutton averaged \$5 to \$15 cheaper while heavier ewe mutton averaged anywhere from \$12 to \$30/head below the previous sale. Medium and heavy 3 and 4 score ewes sold from \$63 to \$89/head. Extra heavy 5 scores ranged from \$64 to \$67/head to processors while restockers payed to \$95/head for Border Leister cross ewes. Wethers were in short supply and averaged \$2 to \$15 cheaper with 3 and 4 scores selling \$68 to \$105/head. Mutton purchased by processors ranged 210c to 280c/kg, overall averages being around 260c to 270c/kg cwt.

Rams of all weights made from \$29 to \$64/head to processors, restockers paid to \$82/head.
