There was a larger mixed quality yarding of shorn crossbred, Merino and a few Dorper lambs. These sold to soft trade and export competition from a limited number of buyers as many sales fell back below 450c/kg cwt. Feeder and restocker orders were also able to lower their prices on light and trade weight shorn crossbred lambs.

The light 1 and 2 score crossbred lambs to a mixture of orders sold from \$28.50 to \$82.50 to average \$12/head cheaper. The 2 and 3 score Merinos sold between \$28 and \$82.50/head.

Trade weight crossbreds generally sold from \$75 to \$112 which was \$4 to \$11/head cheaper or 400c to 475c/kg cwt. Trade weight Merinos in good quality runs sold from \$88 to \$105 at prices \$11 to \$14/head less, and were averaging 390c/kg cwt.

Heavy shorn crossbred lambs sold mainly to local processors from \$112 to \$134.50 to be \$7 to \$13/head cheaper, and generally around 430c/kg cwt.

The larger mixed quality mutton yarding sold to soft SA and Victorian processor competition and only token restocker activity.

The few light ewes sold from \$35 to \$40/head to be average 180c/kg cwt. Medium and heavy Merinos ewes sold from \$51 to \$100, that left some sales averaging \$6 dearer when some restocker interest was shown, and the balance \$2 to \$7/head cheaper. The crossbred ewes sold between \$50 and \$82 to be unchanged to \$5/head cheaper; as most ewes sold in a 185c to 265c/kg cwt price range. Rams sold to solid inquiry provided by a couple of buyers, with the Merinos \$57 to \$90 and the crossbreds \$50 to \$96/head. A restocker paid \$110/head for some well bred Poll Dorset rams.
